

Why Use Video?

- 73% of home sellers choose a real estate agent who uses video.
- It's a proven fact that realtors who use video are 97% ahead of their competition attracting ¾ of sellers.
- If you're not using video marketing, you're probably losing potential clients to competitors who do.
- People like videos, and the statistics back it up. The average web user spends 48 seconds on a website, while the same user spends close to 6 minutes on a website that has video. It's time to stand out from the rest!
- A brief video of your space will show potential guests how perfect it looks. If we include you speaking on camera, it will create a visual connection with and it'll increase customer loyalty. Plus, video testimonials are very impactful.
